

**THIS
WEEKEND!**

57 YEARS

We're celebrating the 57th Annual Festival of the Hills, in downtown Conway! We hope to see you there! What's your favorite Festival memory? What do you most look forward to each year?

RAIN OR SHINE

The Festival of the Hills takes place no matter what the weather (within reason). So, if it's raining, grab your umbrella and come anyway!

KEEP THE FESTIVAL TRASH-FREE!

The **GREEN FESTIVAL INITIATIVE** of the Festival of the Hills Organizing Committee recycles and composts Festival waste. Don't miss the recycling and composting bins at this year's Festival!

WE STILL NEED...

ONE CAKE OR ONE BAKED ITEM for the Bake Sale and Cafe Conway. Please don't think that you need to make 87 cakes or 30 loaves of bread! We'd be very grateful for just one of whatever you'd like to make. Drop your donation off at the Town Common on Saturday or Sunday morning. Questions? Call Gail Connolly at **369-4287**.

VOLUNTEERS Can you spare an hour on Saturday or Sunday? We need people to help Saturday with pre-festival set up, and on Sunday with set-up and clean-up. If you could take a short turn at one of these activities, someone else could then take a break and enjoy other parts of the Festival.

To volunteer, please call Sheila Harrington at **413-626-2325** or stop by the information booth at the festival!
